

Playground Revitalization Project

*Alberto Aiello Park
Belair, RM of Alexander*

The Belair Properties Owners' Association is launching a Communications and Fundraising Campaign to replace the current play structure with a more sustainable and enhanced play area.

Help Improve Your Park

The Park is Belair's central meeting area for local events and recreation. It is a destination for family walks, catching the sunset or launching your kayak. Watch for Campaign Updates on Belair Community Boards, Website and Facebook for upcoming fundraising initiatives for Residents and Businesses starting in July 2021.

Together, we can build community pride and create a space for all generations to enjoy for years to come.
